

40 Days for Life – suggested bulletin inserts

Suggested short version:

5 March – 13 April 2014

One in every four Australian pregnancies ends in a termination.

40 Days for Life is a movement of Christians who pray and fast to end abortion. It comprises peaceful, prayerful vigil and outreach outside abortion clinics, with an emphasis on connecting those at risk with compassionate support.

Find out more and register your involvement at www.40daysforlife.com/perth

PERTH VIGIL
5th March – 13th April (Lent) 2014

Every year in WA, around 8,000 children are killed before birth.

40 Days for Life is a movement to mobilise Christians to *pray and fast to end abortion*. It comprises peaceful, prayerful and compassionate 40-day vigils outside of the very places where unborn children are killed. We declare unashamedly that abortion is a gross injustice against both the unborn child and the mother and father of that child, and it must end. In thirteen global campaigns to date, amazing results have already been achieved. These include 8,245 documented lives saved (including 14 in Perth), 88 abortion workers converted and 44 abortion clinics permanently closed.

This will be the fourth year that a 40 Days for Life vigil has been conducted in Perth. This year the vigil will be back at Marie Stopes in Midland and we are expecting God to rock that place once more. But it takes a willingness on our part to make a stand and to pray.

You can become involved by beginning to pray right now. Or visit our website for more specific information about participating in an event or vigil.
