

A Prayer for Life

Father God, we bring before you the plight of the unborn. We acknowledge that they are your children and we appeal to you for their lives. We ask for justice for them and for the many thousands of women who are spiritually, emotionally and physically harmed by abortion every year.

God we bring to your attention the abortions that are even now taking place just metres from here. Lord we cannot get into that room but you can. We carry your holy presence in the earth and we ask that you now manifest yourself tangibly inside that room, in the very place where abortions are being carried out at this moment. Bring comfort to that child and let them know that they are loved; and bring your compassion and conviction to turn the hearts of mothers, abortionists and their supporters. God, please go where we cannot.

We also bring before you those women who are just now discovering that they are pregnant. And those with abortions scheduled for today. God, we ask that you visit these women right now. Give them dreams and visions. Speak to them today, Lord. Connect them with the support they need to choose life. Open their hearts to their children.

God we pray that you would visit also their men. Turn their hearts to be advocates for their children instead of pushing for their destruction. Let them taste of your Father's heart for them and for their unborn child.

Jesus, we plead your blood over this place and every unrighteous place in our city. Let your holy presence and compassion brood thickly over those places. We lay claim to every premises used for evil, and appropriate it for the Kingdom of God. We ask that you deliver this property into the hands of those who will use it to establish a place of healing, life and a memorial to the countless lives lost here.

We ask you for the souls of those working in the abortion industry. Visit them today Lord, let them leave the industry in droves. We pray that the fear of God may overtake every person who thinks to raise a hand against any child, born or unborn.

God, we pray that you would turn back the hearts of a generation to their children. And with them, the laws of our parliaments. We pray that the sceptre of justice will be the sceptre of your reign over Australia. We decree and declare an end to abortion in this generation.

We pray all this in the mighty name of Jesus Christ, Amen.

Suggested Prayer Points

- Praise God for the lives saved already through the faithful prayers of his servants and ask Him to do it again. Expect that he will and pray accordingly.
- Pray that God will turn the hearts of mothers and fathers back to their children. Release the compassion of God the Father over them. Pray that mothers will see the value of the life they carry, and regard their child with love and wonder.
- Pray that the fathers of children at risk of abortion would be advocates for their children rather than pushing women to have an abortion.
- Ask for opportunities for women in a crisis pregnancy to be connected with the love and support they need to choose life. Pray that family members and others will provide a supportive environment for life.
- Consider all those women who are just today discovering that they are pregnant. See them holding the pregnancy test result, and release unexpected joy and positive expectation over them in Jesus name.
- Consider those women who have appointments to terminate their pregnancy. Ask the Lord to visit them, now, wherever they are – in dreams, visions and radical encounters. And to turn their hearts.
- Similarly for those who work in this place. Ask God to have mercy on them and turn their hearts. Remember the 76 abortion workers who have already been converted through 40 Days campaigns worldwide. Ask God to do it again here; that every person who works in this place will walk away from the abortion industry saved and delivered.
- Ask the Lord to radically bless all those who work in this place and places like it, along with all those who are opposed to life and to our ministry. Bless them like your own life depended on it – don't hold back. Bless their families, bless their marriages, bless their children, and ask God to give them new better jobs that pay more and don't involve killing anyone.
- Remind the Lord of all the innocent blood shed in this place and places like it in our city. Tell Him that it is time for it to end, and ask Him to close this facility quickly. Ask Him for the property to be handed to the righteous for the establishment of a place of healing and memorial.
- Remind the Lord of the various pregnancy support agencies at work in this city. Mention them by name and ask him to strengthen, encourage and multiply their ministries. Bless their finances also.
- Thank God for those already awakened and mobilised to stand vigil and pray. Thank Him for his protection over them. Pray that He will continue to strengthen and encourage them, and awaken even more of his people to prayer and peaceful action for the unborn.
- Pray specifically for more prayer volunteers to step up and take responsibility for one of the remaining half-day (5 hour) shifts. Thank God for those who have already responded.
- Pray for those in leadership roles in this campaign and other pro-life work in this city and across Australia, that they may be strengthened and receive all wisdom and revelation of the Lord's will and strategies.
- Pray for our Governments, State and Federal, that they will legislate according to justice and righteousness. The next state election will take place on 9 March 2013; ask God to promote men and women of conviction.
