

**One in every four Australian pregnancies ends in a termination.**

Every year 8,000 children are aborted in Perth alone,  
with devastating consequences for all concerned.

**40 Days for Life** is a movement of Christians who pray and fast to end abortion. It comprises peaceful, prayerful vigil and outreach outside abortion clinics, with an emphasis on connecting those at risk with compassionate support.

**2014 Vigil: 5 March – 13 April  
outside Marie Stopes, MIDLAND**
